ESL 930EC: ENGLISH FOR CHILD CARE

This high-beginning course develops oral and written communication skills in standard English within the context of child care and parenting. Students practice skills useful for communicating with and about children on topics including day-to-day care, health and safety. **ESL 930EC focuses on the necessary day-today communication with and about children.**

ESL 950EC: ENGLISH FOR CHILD DEVELOPMENT: INTRO

This intermediate course develops oral and written English language skills necessary to communicate about a child's development. Students practice skills to introduce, objectively describe, and reflect on children, their actions, and their interests. **ESL 950EC focuses on language skills for communicating about children and their development.**
