## It's the Law!

Protecting Your Business

### 2017 California & Federal Employment Poster

You **MUST** post a compliant *Employment Poster* in a conspicuous place in the workplace where all employees and applicants can see it. The poster also must include information about your workers' compensation benefits, payday schedule and emergency contacts. You may need to order several to ensure that your business, branches and satellite offices are displaying the poster according to the law.

**Failure to comply can result in severe penalties and fines (up to \$17,000!) by the state of California.**

**If any of your company's workers are Spanish-speaking, you will need to order the Spanish version.**

### 2017 HR Handbook for California Employers

**Includes color-coded easy reference sections.** Required and recommended forms for California businesses available to download using a special URL provided in the book.

### 2017 Five Required HR Pamphlets

**Harassment Pamphlet:** Employers must inform workers upon hire of their right to a harassment-free workplace, and provide a harassment complaint procedure. Distributing these harassment pamphlets could protect you from a devastating lawsuit.

**Workers' Compensation Rights & Benefits Pamphlet** Employers are required to give a Workers' Compensation pamphlet to all new employees. It should be readily available without them asking you or another supervisor for the pamphlet.

**State Disability Insurance Pamphlet** The State Disability Insurance (SDI) pamphlet notifies employees of their right to disability insurance benefits should they sustain a non-work related injury. Including these disability insurance pamphlets in your orientation kits and making sure one is available to every employee taking a leave for a covered reason fulfills an important legal obligation. Employers are required to provide information about State Disability Insurance (SDI) to all new employees and again to those about to take a leave of absence for a covered reason.

**Paid Family Leave Pamphlet:** Information in the Paid Family Leave (PFL) pamphlet is required by state law mandates and must be provided to all new employees AND employees taking a leave of absence for a reason that is covered.

**Unemployment Insurance Pamphlet:** The Unemployment Insurance (UI) pamphlet notifies employees of their right to unemployment insurance benefits when they are terminated, laid off, or granted a leave of absence. You are required to provide this unemployment information to any employee in any of these instances.
