

## **EMPOWER Series - Ideas in Action!**

**Empowering the Masses to Plan and Organize for Wealth and Education within Reach.**

**Our Vision:** A world where everyone is thriving - progressively realizing a worthy ideal.

**Our Mission:** To positively impact the world by inspiring people to thrive in every area of their lives.

**What We Believe:** Individuals have all the resources within reach to achieve their goals.

**What We Do:** We provide Hope, Inspiration, Education and Connections to Resources to Help People Achieve Their Goals.

**How We Do It:** We provide financial coaching and counseling, along with financial literacy and self-development workshops for students and adults. Local and notable professionals share their stories of how they have overcome adversity to achieve their goals along with a financial literacy topic or empowering message. Topics include, but are not limited to, Visioning & Goal Setting, Budgeting & Saving, College Preparation, Credit Management, Home Purchase Preparation, Life Insurance Planning, Retirement Planning, Estate Planning, Entrepreneurship, and Growth Mindset Development.

**Value Statement:** We value collaboration with the highest level of integrity and using our imagination to provide the greatest level of impact when giving service.

**Collaboration:** We believe that the greatest results are achieved through diversity and working together in a common bond of caring and sharing.

**Integrity:** We believe in being authentic and honest in all dealings.

**Imagination:** We believe that imagination is limitless and all things conceivable are possible.

**Impact:** We believe every action is significant and has an ultimate rippling impact of saving lives.

**Service:** We believe in being of value and service in all interactions.
