God Created Me (PreK-K)

Petie Danton

Students will explore the story of creation through scripture, literature, and art. Each class of our six-week session will focus on what God created on each day before he rested. Students will discuss the wonderful world God created for us. They will focus on God's love and spreading his love with everyone and everything he created.

Go Green (1st-2nd)

Kelsey Brown

Learn about the importance of recycling through art and stories! Children love to help- why not help the earth? We will create art projects using items recycled during our day at school. Everyday items will become works of art during this session. Your children's eyes will be opened to see things in a new way after exploring their creativity and repurposing everyday objects into something new.

Problem Solvers (3rd-4th)

Karen Dumont

Put on your thinking hat because we have problems to solve! Students will figure out ways to solve the problems of story characters. They will get to explore literature in a fun way during this S.T.E.A.M. centered class. What is the fastest way Jack can get down the beanstalk to escape the giant? Join us and this will be just one of the many problems we will solve in this class!

Exploring Famous Artists (5th-7th)

Lauren Underwood

Students will get to explore history's most well known artists through this class. Not only will they learn a lot, but they will also get to explore their creativity through many different mediums. Students will get to investigate different art styles of artists and get to make them their own. Your young artist will get to know their own art style by exploring which medium they enjoy best!

Creative Cooking: Bible Study (PreK-K, 1st-2nd)

Jennifer Squires Carapina

Creative Cooking is back, with a new twist: Scripture! Students will explore the bible and create a snack based on each scripture reading. Children will get to look at the bible in a new way as they explore readings through cooking. Children love cooking and sharing items they have cooked. They will not be able to wait to come home and share what they have learned with you!
