

Accelerated Reader

Congratulations to all our students who participated in the AR program this year. In particular, there were a good number of students who continued to use the AR program during the fourth quarter when we were not together at school---thank you for your awesome effort!! Don't forget to keep reading this summer! Awards will be given to these students on their drive through day.

Here are our top point earners in grades 1-7 for the school year 2019-2020:

| 1st Grade | Points |
|-----------------------------|---------------|
