

Distance Learning Optional Computer Lessons

Kindergarten Extra Practice

This link in the table below will bring you to one of the websites we have used in the computer lab. It will ask you to log in to get started. The username and password are in the table below. There are 3 different activities on this site.

- 1.) **Dino-Site Words:** A dinosaur game where you have to click the site word that they say. (The sound for this game was not working on my computer. If it is not working on yours skip this one.)
- 2.) **Out of Site Words:** In this game you will search the silly picture for the site words in the word bank at the bottom of the screen.
- 3.) **Color Word Match:** Drag the color word to cover the crayon it matches. Remember to press the check button when you are done.

1st-4th Grade Extra Practice

This link in the table below will take you to one of the websites we have used in the computer lab. It will ask you to log in to get started. The username and password are in the table below. There are 3 different activities on this site.

- 1.) **Binary Code Convertor:** You will use the code convertor on the right to figure out what word is being spelt on the left. Click the “check” button to see if you are correct (Be careful it can get tricky!)
- 2.) **Keyboard Key Placement:** Drag and drop the letter keys on top of the keys on the keyboard. Use the arrows on the right to move to the next screen.
- 3.) **Word Search:** Use your mouse to highlight the words from the word bank.
