

## Immanuel Church Deep-Cleaning 2020

In the past, deep-cleaning has been done by volunteers on a one-spring-day blitz. Due to the circumstances of Covid-19, the one-day-blitz system must be pitched. So, the church council is asking everyone to please consider signing up for cleaning something from the list below. This can be done any time in the near future on your own schedule. Please contact Leanne Homa at [lhoma70@gmail.com](mailto:lhoma70@gmail.com) or 715-742-3553 with your preferences. Your help is appreciated!
