

Covid-19 has kept us out of church, BUT, dust, dirt and stuff (cobwebs, and dust bunnies) have found their way in! HELP! We need a small army to combat these invaders. (That means all of us.) In keeping with Covid-19 protocol, we will be wearing PPE and social distancing.

How will we do this? We will have small teams work on specific areas of church. Each team can decide when they would like to do their cleaning. The teams we are thinking of now would be: 1) basement vacuuming and general cleaning 2) Sanctuary vacuuming, and general cleaning 3) Social Hall and closet, vacuuming and cleaning 4) Kitchen, floor, cooking and counter surfaces, etc. 5) Gardening, weeding and mowing. This is just a guideline, but once involved, we hope you do whatever it takes. We're hoping that this can all be completed before the end of September.

**Please call the church to tell Ashley which team you would like to be on. Do it quickly before your favorite choice is full! Once we fill our teams someone will be in touch with you!!!**
