

Bethesda Council Meeting
February 2, 2025

Attendee: Darin Anderson, Bob Eicher, Diane Fizell, Jane Edwards, Paul Lundberg, Pastor
Connie Monson

This meeting was held immediately after the Annual Meeting (February 2, 2025)

All current council members agreed to continue for at least one more year.

- Pastor noted that her rent will be increased next year, she asked that \$19,200 be taken from her salary and applied to her housing expense. Darin made a motion to approve this request, seconded by Bob. Motion passed.
- Bob noted that the Church Office and Pastor's Office both need to be painted. Paul noted that the paint should be used up. There were several paint cans in the basement that were all dried up.
- When looking at the list of members, it was noted that there were several people that no longer attended or took communion. We would like to approach this problem respectfully, so no one is offended.
- We will be having a meeting on February 9 (6:00 pm) to discuss the flag situation and usage of the basement apartment.

Meeting adjourned.

Respectfully submitted, Jane Edwards
