

Hey Legacy Family,

With “Everyone, Everywhere, All the Time”, Legacy is continuing the mission of Christ in our community, the prisons, and globally!! I don’t want to get ahead of myself here, but I feel a shift happening in our missional posture. To see a team sent out of Legacy Church to Boyd prison through Kairos Ministries this past month, sharing the love of Christ and bringing about peace within the souls of the inmates, is a picture of our calling as a church! The testimonies I’ve heard so far are enough to make one cry and leap for joy, all at the same time! Thank you to Barry and Leilani Nelms, Justin Foster, David Campbell, Jeff Flovin, Omotayo Olaleye, Greg and Susan Gibson, Tommy and Lois Snow, Richie Morris, Chad Deteau, and Robert Watson.

We also had a team go and serve with our partners at la Chapelle in Montreal. As you may recall throughout the history of la Chapelle, they haven’t owned a building due to opposition to the Gospel message and the overall population’s angst towards the church. Finally, a miracle took place when they were able to purchase an old abandoned Catholic Church. Our team assisted and served on the new church facility demolition and remodeling process! What an incredible opportunity for us at Legacy to serve our brothers and sisters in Christ in Montreal. A special thank you to Bruce Walpole, Ed Gentry, Joshua Walpole, Zachary Forbes, Bryan Rogers, Mark Smith, and Jeff Flovin. If you feel like you missed out, know you will have two more opportunities to serve before the project is finished in 2025!

Please take a moment and catch up with our Resident Missionaries who have some great opportunities and updates to share! Pray and see how the Holy Spirit leads you as more opportunities come up! Also, for those interested in going to Uganda don’t forget to turn in your mission application before the May 14<sup>th</sup> deadline. We would love to see those who are called, join our mission team. Please reach out to us if you still have questions!

Once again, I am humbled and blessed to serve alongside you, Legacy! Your generosity and love for Christ make our church experience stand out! As we continue to be on mission with “Everyone, Everywhere, All the Time”, know there remains a lot of work to be done. I know we cannot do all of the work, or sign up for everything, but let’s continue to be a church that is generous. Let us walk towards being more generous with our time, gifting, service, love, compassion, and finances as we move forward! Remember, with “Everyone, Everywhere, All the time”, continue to be on Mission!

Love you all!!  
Patrick Iga
