

## Congratulations to the Great Neck Country Club Women's Association Their 2017 Rally for the Cure Raised \$10,700 for TBBCF!

August 8 was a wonderful day for golfing at the Great Neck Country Club. The Women's Association conducted their 5<sup>th</sup> Annual Rally for the Cure event to benefit the Terri Brodeur Breast Cancer Foundation (TBBCF). Rally for the Cure was originally founded in 2010 when the club operated as the New London Country Club.

For the second year in a row, men were invited to play in the Women's Association Annual Rally for the Cure. The tournament committee members included Pat Romano Pamela Wolejko, Mary O'Reilly, Kathleen Vannini. Guest speaker was Dr. Kathleen Kurowski, Breast Surgeon at the William W. Backus Hospital in Norwich.

While organizers hoped that the tournament would top the \$7,940 raised in 2016, at the end of the day, on August 23, organizers presented Sandy Maniscalco, TBBCF co-founder, with a check for **\$10,700!**

Since 2010, Rally for the Cure has raised over \$35,000 for TBBCF. We are so very grateful to the Great Neck Country Club Women's Association for all the hard work they put in for this tournament and their support of TBBCF. Thank you ladies!!
