

Explore and Learn for Family, Friends, and Neighbor Childcare Providers

● ● ● **Wednesdays 10 – 11:30 a.m.**

Calling all grandparents, aunts, uncles, nannies, and neighbors!

Bring the young children you care for to explore, learn, and play with us at the library! Join us outside the library for playful learning activities you can enjoy together, as well as, books and community resources. Activities will be set up to support social distancing in the park, and you are encouraged to bring a blanket to sit on.

Various community partners will also be in attendance to provide free resources and information.

This program happens every Wednesday, 10-11:30am, from October 13th through November 17th, weather permitting. Free. No registration required.
