

For All Providers
New Order Panels When Searching Y90 Exams
Effective Tuesday, Aug. 18

To assist with proper scheduling, **beginning Aug. 18**, you'll see Phase 1 and Phase 2 in Order Panels, when searching for Y90 exams.

Name	User Version Name	Type
Y90 PHASE 1 PANEL		Order Panel
Y90 PHASE 2 PANEL		Order Panel

Phase 1 panels will display IR and NM procedures needed for the same day.

Both Interventional Radiology and NM Perfusion studies are required for this order panel. Both exams must be scheduled for the same day.

HMH, HMB, HMSL and HMTW locations only.

- IR Radioembolization
Expires: 8/4/2021, Routine, Ancillary Performed, Y90 Phase 1 P
- NM Lung Perfusion Imaging
Expires: 8/4/2021, Routine, Ancillary Performed, Y90 Phase 1 P

Phase 2 panels will display the IR and NM procedures needed over a two-day period. These panels will also show which locations are available for scheduling these panels.

This order panel is for Phase 2 Y90 protocol only.

HMH, HMB, HMSL and HMTW locations only.

- IR Radioembolization
Expires: 8/4/2021, Routine, Ancillary Performed, Y90 Phase 2 P
- NM Y90 Micro Spheres Therapy
