

Friendship House

A Way Home

Uniting people facing homelessness with loving, supportive communities they can call home.

In light of recent events in our nation, we wanted to share our stance:

“Friendship House will not accept racism of any kind at its locations by our staff, volunteers or guests. **We believe black lives matter.** We are committed to showing this through our actions and words, and recognize this responsibility begins with the Board of Trustees and Executive Director. We know we have more work to do and that starts now.”
