How It Works

Make a Referral – Share the benefits of OneZone Chamber with businesses in your network and encourage them to join.

Referral Confirmation – When a referred business joins, they will mention your name on their application or during their conversation with our Membership team.

Earn OneZone Rewards – For each referral that results in a new membership, the referring member will receive \$20 in OneZone Rewards, which can be used as a ticket credit for Chamber events.

What You Need to Know

The program is open to all current OneZone Chamber members in good standing.

OneZone Rewards must be redeemed within 12 months of issue.

Rewards are non-transferable and can only be used for OneZone Chamber events.

There is no limit to the number of referrals—more referrals mean more rewards!

The more businesses you refer, the more rewards you earn to attend OneZone events, connect with leaders, and grow your business network!
