

Indiana Health Coverage Programs Enrollment Trend Highlights – April 2026

IHCP Program Membership:

Total Membership decreased in March. With **1,557,544** members, there were **32,031**, or **2%, less** members in April 2026 than in March 2026. Membership is dropping at a rate of over 1,000 members per day. If this rate of disenrollment and coverage loss continues, there will be no IHCP members in about 4 years.

Category Membership:

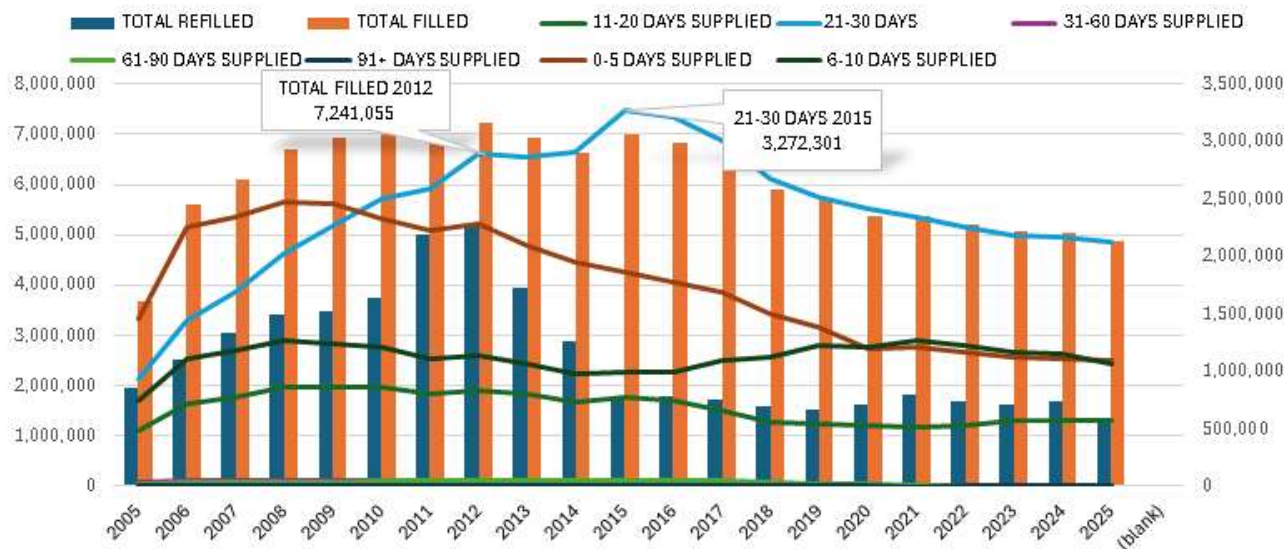

All major categories decreased in April. HIP lost nearly 17,000 members, while HHW ended the month with over 12,000 less members.

Insights:

The chart below shows the number of opioid prescriptions filled in Indiana from 2005-2025. The columns show the total number of prescriptions and the total number of refills in each year. The lines show number of prescriptions filled by amount. The largest number of prescriptions were filled in 2012, at over 7.2 million compared to less than 5 million in 2025. Refills dropped significantly between 2012 and 2015. Total prescriptions filled trend down after 2015.
