Lee # **620656**

FLOW-TECH HOME MAX ANTI-SCALE SYSTEM

No salt. No chemicals. No maintenance. Electromagnetic induction eliminates hard water scale from your home 24/7.

Key Features

- **Retains Minerals:** Beneficial calcium and magnesium remain in the water supply.
- **No Water Wasted:** Unlike traditional softeners that use backwashing and regeneration cycles, it wastes zero water and requires no drain.
- **Space-Saving:** The compact wall-mounted unit takes up very little room compared to bulky tank-based softeners.

WHITLAM FLOW-AIDE

Quickly dissolves water scale, lime, rust and other deposits.

Flow-Aide Descaler Kit

Lee # **171478**

Kit includes: 1 Quart Flow-Aide, 725 GPH Pump, 3.5 Gallon Bucket, 2 - Rubber Hoses

Flow-Aide Descaler Solution

Lee # **171474** (1 Qt.)

Lee # **122390** (1 Gal.)
