THE WAREHOUSE

CHECK OUT THE SUBJECTS BELOW THAT I DEVELOPED FOR YOU.

CHECK OUT THE NEXT PAGE FOR WORKSHOPS AND UPCOMING EVENTS.

## The following trainings are currently available at request

Consumer Health Reference Interview:

Discuss the unique challenges presented by consumer health reference interviews, and explore reliable sources of information—including those provided by SLRC and DLDS.

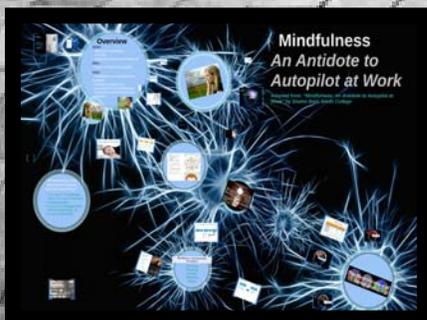

Systems Thinking

Lessons From The Fifth Discipline Fieldbook by Senge, Kleiker, Roberts, Ross and Smith. Presentation adapted from Joanna Beltowska and Amy Rae, 2011. Examine approaches to problem-solving, adaptability, and professionalism under the lens of the systems thinking approach.

Mindfulness: An Antidote to Autopilot at Work

Adapted from the work and observations of Smith College's Shalini Bahl, learn what mindfulness is, its influence on behavior, and how to become conscious of the process.

THE WAREHOUSE

The following opportunities are either currently available for attendance or in the works:

March 13/14— Beyond Sensory Storytime: Lavale and Westernport

Join Jacob Hutton of Harford County Library System to learn more about creating sensory programming for children and adults with special needs. This workshop is being offered three times:
March 13th—8:30—11:00 AM
March 13th—12:00-3:00 PM
March 14th—8:30-11:00 AM

Register here: http://events.r20.constantcontact.com/register/event?oeidk=a07edeokdoz0b295d77&llr=6j68bajab

April 24th– Fairytale Engineering: *LaVale—9:30 am– 11:00 am*

Think beyond "Happily Ever After" and "Once Upon a Time." Work with Jean Boone to learn about incorporating STEM ideas into your programming with Fairytale Engineering. Help children problem-solve by incorporating creative engineering to change the story!

TBD—Collections Development at the Branch Level

You all were wonderful in voicing your questions on the subject, so I'm currently arranging a customized presentation with an expert. Topics include—using Tableau to help guide collections (where applicable), evaluating fiction and "hot ticket" items, and listening to your community.

Stay tuned for more info
