

# Best Wishes to

After four years of outstanding customer service, Will Carroll is leaving us. He has accepted a position @ the White Marsh Branch of The Baltimore County Public Library System. (Will's last day is August 31<sup>st</sup>)

Will: saying that you will be missed is an understatement. You are kind, fun, and helpful. I hope you will look back with fond memories from your time spent with the Washington County Free Library System.

On a personal note: I have known Will for over 10 years. He started as a volunteer in the Children's Department, worked for the Circulation Team before he went off to college in Oklahoma. He rejoined the circ team and met his future bride. I consider it an honor and privilege to have been a witness and a small part of his life's journey.

~ Delissa Key, Circulation Manager

*Will has been the "face" behind Sneaks the Cat over the years for many library events.*
