

# Congratulations to South Cumberland Library on their stunning remodel!

The South Cumberland staff was happy to open their doors to the community and to us.

ACLS Director John Taube and WMRL's Wags were all smiles on opening day.

Wags wanted to show his support by posing with the snazzy new sign.

Wags was all about checking out Summer Reading Club (and maybe the festive balloons).

South Cumberland Library of Allegany County re-opened to the public on July 10, 2017 after undertaking a huge redesign. The building looks wonderful, and the community is so happy to have their library back. If you're in the area, check out the fantastic updates and join the community block party on Friday, September 15th to celebrate the Grand Re-Opening.
