ESPERANZA MANSION

Under new ownership and management, the Esperanza Mansion anticipates a grand re-opening in the summer of 2019!

The new General Manager, Michael Gaudio, is a native of the Finger Lakes region and brings over 15 years of professional restaurant, event, and hospitality experience to their team. Their goal is to create a world class destination that locals can call home. Michael will focus on every detail of the property to create a seamless guest experience while utilizing as many local outlets as possible.

Renovations will include many new things including a Café, and a Gift Shop. Additionally, they are also updating all of the Hotel and Inn rooms and making them feel more quaint and fresh. They are still very hopeful for a early/mid summer opening!

CELEBRATE SERVICE, CELEBRATE YATES

Thank you to everyone who participated!

For more than 21 years, Keuka College and the Yates County Chamber of Commerce have collaborated to host Celebrate Service ... Celebrate Yates (CSCY), an annual day of community service which has provided hands-on help to dozens of Yates County non-profit agencies, thanks to hundreds of volunteers from the College and local community. With support from local merchants who underwrite costs, CSCY volunteers join hands on one Sunday each April, serving collectively to meet needs of Yates County nonprofits. CSCY began as a community service initiative conceived by Keuka Circle Fellowship Scholar Tracy Swem Morgan '98 and now stands in testament to years of partnership, support, and goodwill.
