Food Truck:
Smokey & Brines

On their first week with us last week, Smokey & Brines sold out of everything they had. We figured it was a good idea to invite them back again!. Come see them for delicious chicken, beef and pork sandwiches with pickled toppings. So Good!!

Live Tunes:
Ted DeMille & Chris Moore
4-5pm

It's always a good day at the market when Ted & Chris are onboard. Their blend of original tunes and classic folk music will sound exceptionally good this Thursday thanks to the wonderful acoustics under the post and beam roof at the pavilion.
