HELPFUL INFORMATION FOR OUR MARKET

Covid Safety

Farmers Markets are considered "essential businesses and operations" by the Governor's Executive Order (3/24/20) and the Yarmouth Farmers Market looks forward to being your source of safe, fresh, locally grown food this season. By continuing to shop at our market you are supporting Maine farms and small businesses and purchasing from a trusted source. To keep us all safe, we are rearranging our layout to provide for social distancing, providing hand washing stations, hand sanitizer dispensers, and providing extra signage and staff to ensure the market operates safely. In 2020 the market will be outdoors only, rain or shine. We ask all shoppers to adhere to the following guidelines during the pandemic.

- If you're feeling sick, please stay home.
- Wear a face covering.
- Maintain 6ft physical distancing and follow signage.
- Please take advantage of hand sanitizer dispensers and hand washing stations at the entrance and exit.
- Limit the number of members from your household attending the market.
- Order ahead from vendors when possible and pick up preorders at market info booth. (links on web and weekly newsletter)
- If possible, pay with credit card or when using cash, make exact payment.
- There will be no food consumption or tastings at the market in 2020. Prepared foods will be "to go" only.
