Next step: Setting Goals

**BASED ON OUR MISSION, VISION, STRENGTHS AND OPPS,
WHAT ARE OUR 3-4 MOST IMPORTANT GOALS?**

TO BE DISCUSSED ON NOVEMBER 10TH

Bear in mind...

STRENGTHS

1. Long history **of commitment to the Englewood community**; members care about the community; some members are “doers”, community leaders
2. Membership **recruitment** strong; noticeable improvement of **diverse members**
3. **Ability to adapt quickly** to pandemic limitations
4. **Public image is growing**
5. Large membership, generating dues revenue

OPPORTUNITIES: Which are most important/feasible

1. **Collaborations**: with the non-profit community in Englewood, other Rotary Clubs
2. **Engage new members and long-time members** who won't Zoom (How?)
3. Get spectacular, engaging and relevant **speakers**, from anywhere if Zooming.
4. Take the lead on **community-building** in Englewood by being an independent and neutral voice for promoting Rotary values--service above self, peace, collaboration, etc.
