In thanksgiving

For the birth of Elizabeth Marie “Ella” DePaz, born Monday, August 17th! Congratulations to her parents Catherine Cross and Roberto DePaz and big brother Benjamin.

For all whose birthdays are this week, including: Kevin Robinson (8/23), Tochukwe Udogwu (8/23), Amy Brown (8/25), Teodora Salow (8/26), and Betsy Robbins (8/27).

(Help us know it is your birthday too by updating your information in Realm! We love you! Haven’t logged into Realm yet? Contact Jen Luna, administrator@ccpk.org for a link to do so.)

We pray for all in this country and around the world impacted by the coronavirus and covid-19.

For our brothers and sisters at Nyumbani, the Home, the Village and the informal communities of Lea Toto in Nairobi. For Sr. Mary, Proteus and all the staff.

For the parents, children, teachers and administrators at Arcola Elementary.

For those who are ill, and those who are waiting for a diagnosis. For all who are isolated.

For those in prison, in nursing homes and other institutions who cannot be visited.

For those who have lost their jobs, or whose jobs are at risk. For all who are afraid.

For the most vulnerable among us, our homeless and hungry neighbors.

For those with no access to healthcare, or who are afraid to seek it.

For those who are grieving and cannot come together to mourn.

For all medical personnel: doctors, nurses, lab techs, child life specialists, hospital social workers, nurse practitioners, office support, housekeeping staff, and assistants of all kinds.

For all researchers who are working diligently to create tests, identify strains, and develop a vaccine.

For all public health officials, law enforcement officers, judges and government leaders that they may be strengthened for service and may lead with integrity, wisdom and humility.

For these petitions, and all that is on our hearts, we pray this day.
