

# CHRIST CHURCH KENSINGTON PARISH

Free Brunch to Celebrate Our Legacy Society

and a Seminar on

Estate Planning and New Tax Law Changes

Church Undercroft

Sunday, June 24, 2018

11:15 a.m. – 12:15 noon

Open To All Members of Christ Church and Friends

Childcare Provided

The free brunch, sponsored by the Endowment Fund, is open to all members of the parish and outside guests. It is intended to provide a friendly and informal session for you to gather information and ask questions. Jeffrey Kolender, an estate planning attorney will present an overview of the new tax laws and what you should consider when contemplating your estate plan. Just information – no solicitation. We will also celebrate our Legacy Society members who are active and past members who have made a provision for Christ Church in their wills.

Think you don't have an "estate" or need a plan? If you have a checking account or own real estate or stocks, you should have an estate plan. If you have or will have children or grandchildren, you should have an estate plan. If you don't have children or heirs, you should have an estate plan. This workshop will help you start a plan if you don't have one and will help you check your plan if you do. If you cannot attend, we suggest your spouse or a friend attend so that you can obtain this important information. Contact [theochurch@verizon.net](mailto:theochurch@verizon.net) for information or to confirm your attendance.
