For FREE: Gorgeous upright piano, lovingly cared for, for slightly over a century, in a climate controlled environment. It has been maintained and tuned regularly throughout its life. It has a full ivory keyboard and matching bench. Manufactured by L. M. Paul in Pottsville PA in the early 1900's, it is exquisitely crafted and has incredible sound!! Donor has another piano, and needs to downsize. Piano would require a truck and 3 to 4 individuals to move it. Donor hates to see it go, but wishes for a loving home to continue its incredible musical story. Please contact Kim Jenkins, from Longswamp UCC, at 610-858-4152 for more information.

Warmest regards, Kim Jenkins - 610-858-4152; kim@longswampucc.org
