

EARTHQUAKE EMERGENCY UPDATE

Rev. Edward Rivera Santiago

Lydia Rosaly

General Pastor

Social Action Coordinator

It all started on December 28th...

The South and Southwest region of Puerto Rico has been experiencing telluric movements since December 28th, 2019. On January 7, 2020, this area was hit by a 6.4 earthquake followed by 2 major aftershocks of 6.0 in a matter of days.

Some numbers:

*More than \$460 millions in estimated loss/ damage.

*4,471 refugees by the end of January 2020.

*Most affected towns are: Guánica, Guayanilla, Peñuelas, Yauco, and Ponce.

*At least 6 of our churches/buildings were deeply affected. More than 5 TBD.

*More than 2,000 aftershocks since January 7th.

IEUPR acted as first responders. Many of our congregations serve as shelters. Our members have shown empathy and solidarity in abundance sending water, food, and emergency supplies to our people in the south and southwest.

But this emergency is far from over. If you want to help, please send your monetary donations to:
