

Trauma Sensitive Theology

by Jennifer Baldwin

To begin August 25 from 2 to 3 PM

From the PNEC Mental Health Ministry Team

Join us for a Book Study and Discussion. This is NOT just for pastors, but for everyone that wants to go deeper into this subject!

This approach to theology will help to speak well of God and faith without causing further injury to individuals who

experienced any form of trauma. Simple words like "we are all sinful" can be very hurtful.

We ask that you purchase your own book. For the cost of the discussion course, we are asking that you make a donation to the Conference Minister's Discretionary Fund.

Bonnie often uses this fund to help and support emergency situations of pastors and others. A zoom link will be released closer to the start date.
