

OPEN AND AFFIRMING COALITION OF THE UNITED CHURCH OF CHRIST

June 13, 2019

Can't attend National ONA Gathering? Participate in our live webcasts!

You don't need to miss the historic National ONA Gathering June 18-20 in Milwaukee! For the first time, we're livecasting all sessions, including worship and performances, on Zoom! Select workshops are included. You can watch the events live, or access our video archive later. If you think a particular plenary or workshop would be useful for members of your ONA congregation, just use our archive to show the event at any time!

And if you are in Milwaukee before Synod next week, there's still time to register! You can choose a single-day registration or participate in the full event. We've waived late-registration fees! The option of participating without the meal plan, ideal for commuters, is another low-cost option.

Just a few tickets left for our Gala ONA Banquet at Synod!

Tickets for our gala banquet at General Synod June 20 are running out fast! We probably won't have any left to sell when Synod gathers, so this is your last chance to participate in this inspiring event! With wonderful music by the Coalition Choir and singer-songwriter Bobby Jo Valentine, and a powerful keynote by the Rev. Justo González II, this is an opportunity to celebrate the 50th anniversary of Stonewall with LGBTQIA+ and ONA family from throughout the United Church of Christ!
