- August 19-Oct. 13 DEADLINE TO REGISTER IS August 5: **Evangelism** - Instructor: Rev. Dr. Bill Tenny-Brittian Evangelism in the North American context has "lost its luster" in many respects. Because faith is

considered a "private" matter, many in our churches and parishioners have foresworn to simply let it be ... no faith-sharing for them. And yet, this stands in complete contrast to Jesus' great commission to go and make disciples of all nations (people groups). The Evangelism course is not simply an online study about evangelism. Rather, it is an eight week training course that will give you the tools to evaluate and articulate your own theology of evangelism and to exegete both your community's and your congregation's culture in order to design and lead effective evangelism efforts. The price of the course is \$100. [Click here to register.](#) Phillips Theol. Sem.

Not-Your-Average Boundaries Training is tailored to focus on strategies to foster clergy emotional resiliency and well-being. These live online boundaries training is 5 total hours split over 2 consecutive days (2.5 hours each day). Following the first session, participants are asked to engage in a bit of reflection work in preparation for the second session. This online boundaries training will be conducted via secure Zoom video conferencing. [Click Here](#) for detailed flyer and registration information.
