

ANNOUNCEMENTS & CLERGY CONNECTIONS

- ◇ **Rev. Todd Fennell** has announced his retirement from St.Pauls UCC, Northampton to begin Jan.1, 2020. Todd has served there for the past 15 years and 24 years at First UCC, Milford NJ.
- ◇ Caring Bridge Journal entry by **Candy Miller** — Jun 24, 2019: Hello friends. First I want to thank you all for your love and prayers for Alan. We feel them. Today was chemo number 3. Alan is always surprised when the bag of Alimta, his chemotherapy, is brought in. He says that it's such a small bag. It only takes 10 minutes to infuse. It may be small, but it packs a punch. This time around his fatigued lasted 2 1/2 weeks. He also saw the oncologist. Alan has been complaining of shortness of breath even walking from the garage to the living room. The past 2 weeks he has become even more SOB (short of breath). The nurse took him for a walk test today and his oxygen level dropped to 87. This is low as they want to see it from 96%-100%. Alan will start home oxygen within 24 hours. He will have a home respiratory therapist come into our home for evaluation. He does not need to wear his oxygen while sitting. Only when he is moving around or grocery store, etc. the doctor feels that he has lung damage from prior chemo and radiation. He is still apathetic, but his memory is getting better ever so slightly. Love, Candy and Alan
