We will plan out at least one preaching opportunity for teaching generosity as a spiritual practice. -- **2 pm Central**

While a significant wealth transfer occurs (and will occur) in our country as our eldest generation passes, many congregations and ministries remain unprepared to promote planned giving options among their members. Only 5% of people leave a charitable bequest even though nearly a third of people would if asked or invited to consider one. This webinar will equip congregational leaders to begin a planned giving program in their setting. We'll begin by considering generosity as a spiritual practice and why donors would want to give a planned gift. Then we'll learn about the three varieties of planned gifts and develop a plan for offering these options. Lastly, we'll review a checklist of good policies and steps necessary for successfully launching a planned giving program. Through this webinar, you will learn key concepts and create an actionable plan for your congregation or ministry.
