Cozy up to the PNEC!

*"For we are co-workers in God's service, you are God's field; God's building." -1 Corinthians 3:9*

2020 has been a challenging year for everyone, including the Penn Northeast Conference! Within our congregations, we have 33,000 individuals! If each member were to donate an additional \$10, that would be \$330,000.

And I know what you're thinking, another thing I have to donate to, but consider the fact that \$10 is less than what the average American spends on coffee in a single week.... It's roughly the cost of a fast food meal. For less than your weekly coffee you can make a difference. Don't give out of obligation, for God loves a cheerful giver. And small gifts in great numbers make a huge difference.

If this is something that you believe in, and you want to help the the Penn North East Conference by becoming a friend of the conference, you can give online using the [conferences tithe.ly](https://conferences.tithe.ly), mail in a donation, or email the conference for more giving options.
