

# ANNOUNCEMENTS & CLERGY CONNECTIONS

**An Update...from Rev. Dale Sattizahn re his father...**

Last week dad was in and out of the ER twice. On Friday they kept him in the hospital. His diagnosis is Ambulatory Dysfunction. He was moved to a nursing rehab again today. He is at Orwigsburg Manor.. No time line on how long he will be there. I have noticed a steady decline in his health this past year. I would appreciate your prayers.
