

MORE JU ENSEMBLE INFO

The JU Ensemble is the highest-level performing company at Jazz Unlimited, made up of distinguished dancers who have outstanding technique, performance quality, and style. These dancers have a focus and desire to fully commit themselves to the demands of the Ensemble. JU offers all Ensemble members the opportunity to train intensively, perform, and compete in multiple styles of dance including jazz, ballet, tap, hip hop, contemporary, musical theater, and more. In addition, Ensemble dancers have a dedicated recital performance night, allowing family and friends to see the effort they put forth throughout the year.

We pride ourselves on training well-rounded, diverse dancers, and provide our Ensemble members with opportunities not found at any other studios in the area. The relationships Ensemble dancers develop with faculty and peers through dance are unmatched. The Ensemble experience instills values such as teamwork, responsibility, and commitment that our students use within and outside the classroom. Ensemble dancers professionally represent JU at local and national talent competitions, conventions, and performances.
