

You Can Help!

Some residents depend upon our Benevolent Care Fund which is subsidized by your generous monetary donations.

This is one of the most important ways you can help

The Episcopal Home is an assisted living facility.

Assisted living, or personal care, provides aging individuals help with daily activities, diet, medications, and transportation.

Often, residents outlive their financial resources. Medicare is not a funding option for our residents because they do not require a nursing home. Medicaid does not cover assisted living in PA. Currently, the Episcopal Home provides thousands of dollars per month in benevolent care for our residents who can no longer afford to pay the full price of their care.

With your help, our aging residents can continue to live at the Episcopal Home with dignity, peace of mind, and in comfort.

We welcome and depend upon your monetary gifts.

If you can help, please send your check to:
