Join the St. Andrew's Virtual Coffee Hour!

The Vestry would like to offer our first ever weekly Coffee Hour via Zoom! This would be a fantastic way to see each other and share how we are coping during a difficult time. We are all such an encouragement to each other weekly when worshiping together at church and our family is missing you! Once you set up a free Zoom account and join a Zoom meeting for the first time, it will be very easy for you to do this in the future for coffee hour or other virtual gatherings. Blessings to you all!

Zoom is an online meeting platform that is free to use. The free account comes with a 40 minute limit for meetings of 3-100 people – that's us! This is kind of like using FaceTime, for those of you who are iPhone users. You can use Zoom on your desktop/laptop computer or cell phone, but these instructions will help you get started with Zoom on your computer. Instructions will look somewhat different on mobile devices. There are also all kinds of videos online but we're attempting to simplify the process and take you through it step by step below. There is a picture and instructions for each step. ☺

You can click "start video" at the bottom left and see how you look on there, adjust your monitor/screen or laptop, etc… Hello!

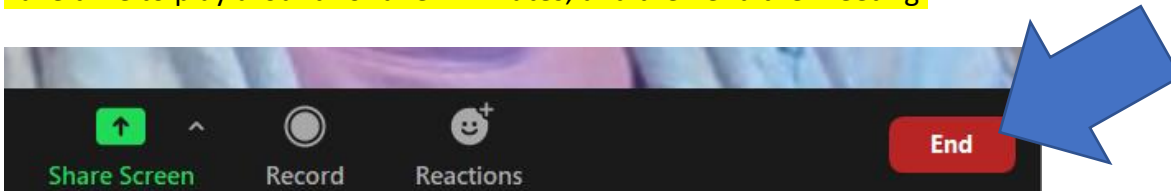

Mute and Stop Video functions are at the bottom of the screen.
During a session you can click those buttons to unmute or stop/start video at any time. (i.e. dog is barking like crazy, mute yourself, want to talk, unmute, etc…)
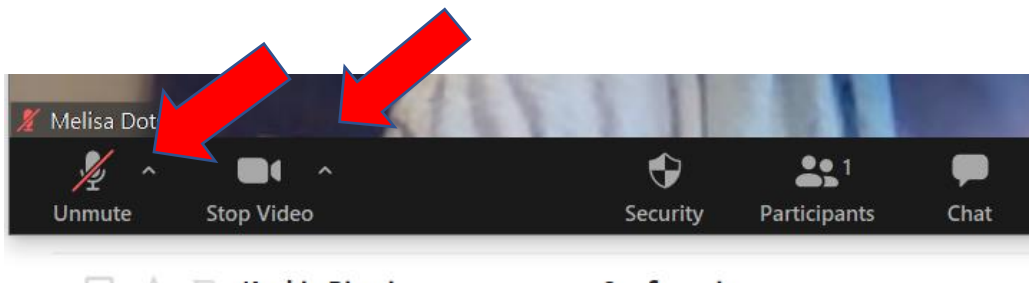

Take time to play around for a few minutes, and then end the meeting.

For this practice meeting, select End Meeting for All.
During Coffee Hour if you need to leave, you will want to select Leave Meeting.

Now you're ready to join your first Zoom session!
In Mother Barbara's weekly email, you will receive a meeting link, ID and Password. A few minutes before the coffee hour, or anytime within that window of time, follow the instructions below to attend coffee hour.

Go to https://zoom.us/ and enter your username and password information just like before, or it may log you in automatically. Eventually you will see a screen with a join meeting link at the top right. Click that.

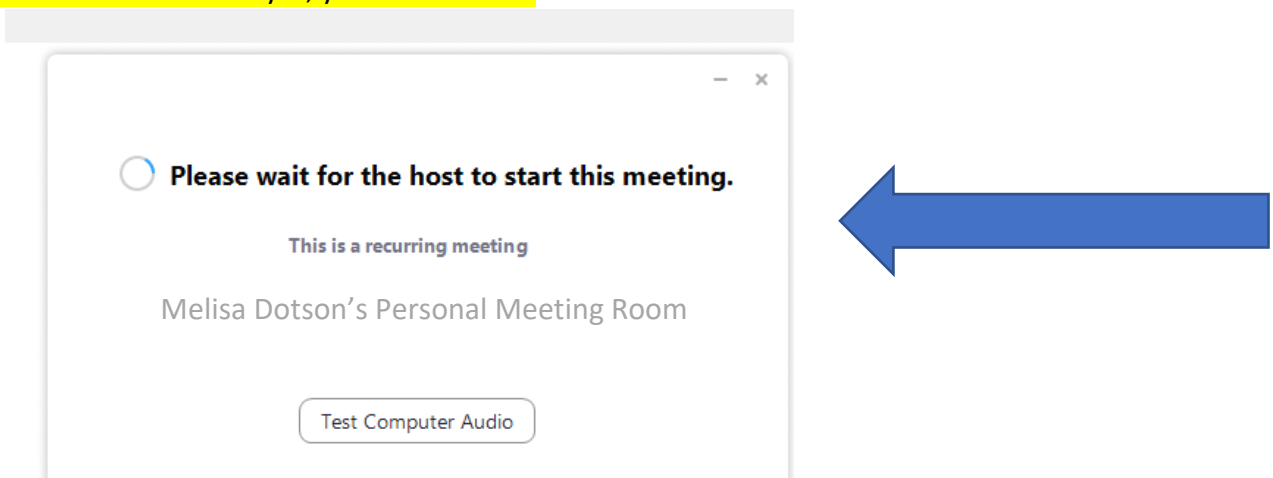

JOIN A MEETING   H(

If you see a screen like this, click join meeting.
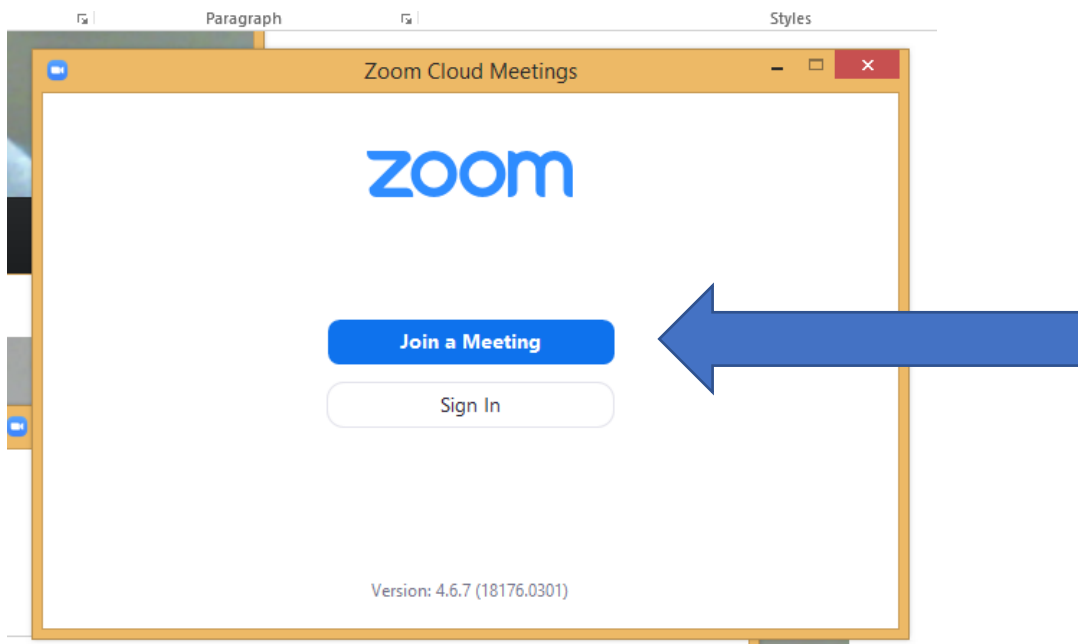

Type in the Zoom ID. This will be provided each week via Mother Barbara's email.
 Enter the number then click JOIN.

If Coffee Hour has not started yet, you will see this.:

Once the meeting starts, you should see Mother Barbara's picture. Click "join with video". Then on the next screen check the box at the bottom that says "automatically join audio by computer…" and click "join with computer audio" in the blue box.

You can see only Mother Barbara unless you click Gallery View. That will allow you to scroll through and see each other.
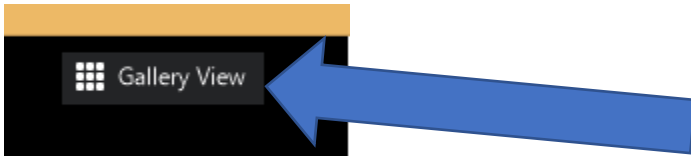

You may be muted to start, but when you want to speak, you can click the microphone.
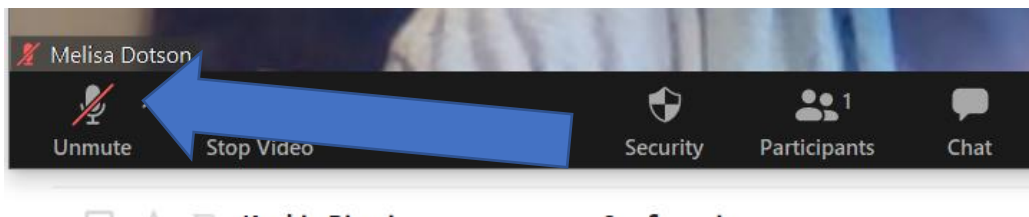

You can go back and forth with the video or microphone during the meeting as you wish.
When you wish to leave the meeting, you click Leave Meeting, at the bottom right.
