

You Can Help!

We are so grateful for the generous support we receive from our donors.

The Episcopal Home is an assisted living facility. Assisted living, or personal care, provides aging individuals extra help with daily activities, diet, medications, and transportation.

Many facilities will retain a resident only if he or she can continue to pay the full cost out-of-pocket. Medicare is not a funding option for our residents because they do not require a nursing home. Medicaid does not cover assisted living in PA. Currently, the Episcopal Home provides thousands of dollars per month in benevolent care. The benevolent care fund helps our residents who have outlived their financial resources. With your help, our aging residents can live at the Episcopal Home with peace of mind, in comfort, assisted by a caring, compassionate staff.

Monetary gifts are always needed and welcomed.
