

# SUNDAY SCHOOL *at* AVPC

## Spring 2023 - Beginning April 2 | 9:45- 10:45 AM

### ADULT SUNDAY SCHOOL

#### PASTOR'S CLASS

**Location:** Library

**Teacher:** Brad Allison

This class provides a "next step" for our visitors who might have an interest in learning more about our church, our teachings, and our pastor. Every class begins with a question and answer time designed to deal with questions that may arise during a sermon, or questions people have about Christianity. The curriculum is flexible so you can join at any time.

#### PILGRIMS COMMUNITY

**Location:** Conference Room

**Teacher:** Scott Wilson

The Pilgrims Community will be using a series by R.C. Sproul called "Knowing Jesus." The series examines John's record of the seven "I AM" sayings of Jesus unique to the gospel of John. All of these sayings are important windows into the person and work of Christ as our Savior and Lord. Each week will include about a 20-minute video lesson from R.C. Sproul, followed by discussion.

#### YOUNG ADULT COMMUNITY

**Location:** Mezzanine

**Teacher:** Blake Harris

The Young Adult Class will be studying the Westminster Confession of Faith this quarter. What does a detailed confessional document written 380 years ago in London during the reign of Charles I have to do with both our church and the Christian life? Come and see.

#### DANIEL AND ESTHER: TWO OLD TESTAMENT SAINTS LIVING IN TWO KINGDOMS

**Location:** Fellowship Hall

**Teacher:** Barry Parker (Daniel) and Brent McClenny (Esther)

As a follow up to our class on "Christ and Culture, Living in God's Two Kingdoms," this class will explore the principles from that class by a deeper look at these two Old Testament books. Daniel, Esther, and Mordecai were all citizens of Israel, the people of God, as well as citizens of a pagan nation. With such dual citizenship, their situation was not unlike our own today.

#### OUTREACH – BABY STEPS ARE BIG STEPS

**Location:** Room E-5 of Education Building

**Teacher:** Michael MacCaugherty

Often-times, personal involvement in outreach and evangelism is one of the most intimidating aspects of the Christian life. Let's take the fear out of outreach by going slow, supporting one another, and finding courage from taking baby steps that build on each other. This will be a workshop type class where we learn some skills and then practice them during the week. We will seek to develop the muscles of empathetic listening, kingdom-centered prayer, and connection and proclamation through interviews. Our goal is to discover where people are and to discover how God has made us to be able to reach people in our circles.

### YOUTH SUNDAY SCHOOL

#### JR HIGH *(kids in 7th - 8th grade)*

**Location:** Parlor Basement

#### SR HIGH *(kids in 9th - 12th grade)*

**Location:** Youth House (across the street)
