## Young Investors StewardAccount®

### Starting your child's financial journey early can make all the difference

Whether celebrating a new addition to the family or creating a lasting legacy for your grandchildren, the Young Investors (Y.I.) StewardAccount offers a meaningful way to invest in their future.

This account grows with your young investor–building both their savings and their financial responsibility. Beginning at age 7, investors may receive extra dollars toward their account by earning good grades and/or completing 10+ community service hours each year.

At age 16, they can explore the freedom of a debit card and online account access (with custodian approval). Plus, high school seniors with a Y.I. StewardAccount can apply for LCEF's annual college scholarship each February, giving them another step toward a bright future.

LCEF is a nonprofit religious organization; therefore, LCEF investments are not FDIC-insured bank deposit accounts. This is not an offer to sell investments, nor a solicitation to buy. LCEF will offer and sell its securities only in states where authorized. The offer is made solely by LCEF's Offering Circular. Investors should carefully read the Offering Circular, which more fully describes associated risks. StewardAccount products are not available to investors in South Carolina. StewardAccount access features are offered through UMB Bank n.a. 0125N028
