Calling All High School Teens!

The Ohio District Youth Ministry Team is looking for one or two high school teens to join the team!

We're looking for youth who are innovative, enthusiastic, and eager to grow in their faith while helping plan opportunities to celebrate and connect with other Christian youth.

As a Youth Ministry Team member, teens will be expected to:

- Help plan and lead youth events and activities.
- Participate in approximately four or five planning meetings.
- Take an active role in the events they help create.
- Share ideas and bring a teen perspective to the Ohio District Youth Ministry Team.
- Encourage and celebrate faith with other Christian youth.

Know a high school teen who would enjoy serving on an Ohio District leadership team?
