"We are happy to announce that Hannah Potantus has been extended a solemn appointment to serve the Lord in the LCMS Africa Region, and she has accepted! Hannah will serve as an Academic Support Specialist in Shinyanga, Tanzania. Hannah's home church is Bethlehem Lutheran Church in Parma, Ohio.

Before she leaves the United States, Hannah will be available to share with congregations in the district about the work God is doing in Africa. Please consider reaching out to her and to your pastors to set up some time to hear about this amazing work. Contact Hannah here: hannah.potantus@lcms.org

Please keep Hannah in your prayers as she begins this transition to serving God's people in Tanzania. The following link takes you to Hannah's online profile page: https://www.lcms.org/potantus. This can be printed out as a reminder of the work she will be doing and of any prayer requests she has.

If you or someone you know has an interest in serving as an overseas missionary through the LCMS, please contact us at mission.recruitment@lcms.org or visit our webpage at lcms.org/missionary-service."
