On the last night of the 2025 LCMS Youth Gathering, our Ohio District teens and chaperones - 486 strong - celebrated together at our District Event. They shuttled from the Superdome to the City of New Orleans Riverboat on 9 buses which was a welcome relief from the heat and humidity that was endured during all the days of the Gathering. Ohio District President Kevin Wilson shared a few words, then it was an evening of jazz music, food and time to enjoy being the youth and adult leaders of the Ohio District.

The chance for these young people to be together again is coming soon! The 2025 OHIO DISTRICT Senior High Youth Gathering will be November 21 - 23, 2025 in Columbus!
