Ascension Lutheran Christian School Announces 312-Mile Walking Fundraiser

Attention for Ascension

Gary, IN— March 14, 2022

Ascension Lutheran Christian School (ALCS), a relatively new Lutheran school in the Glen Park section of Gary, IN, is excited to announce that on Monday, April 18, 2022, Pastor Bryan Reeves, pastor of Immanuel Lutheran Church, Richton Park, IL, and his team will begin a 312-mile walk from Ascension in Gary, IN to St. Philip’s Lutheran Church on the SE side of Cleveland, OH to raise much needed funds for the school.

The purpose of the walk is to raise awareness of ALCS, support its current operation, and provide funds to upgrade and expand the education opportunities and facilities.

“I want people to know about the good that is happening at Ascension,” Pastor Reeves explained. “I want to get attention for Ascension. God is working in the hearts of our scholars and families to create something special in Gary. I believe we need to be ready to be part of the solutions when He calls.”

A goal of Pastor Reeves’ 312-mile walk for Ascension is a donation total of \$3.12 million. Many donors make this goal attainable, but whatever amount of money is raised will be worth the effort if people see Ascension School as a strong beacon of light in the Gary community.

Individuals, institutions, churches, and schools are invited to participate in this challenging adventure by praying for the success of Ascension and the success of this fundraising effort at 3:12 am and/or 3:12 pm. Visit www.walk312.com to donate and purchase an *Attention for Ascension* T-shirt to help Pastor Reeves and Ascension reach the goal.

Follow Pastor Reeves' progress across Indiana and into Ohio on Facebook Live at Ascension's Facebook page: @ascensionschool or join him on his walk as he passes your area.
