Interested in opening a YI Club Account for a child you adore and appreciate?

The Young Investors StewardAccount at LCEF is designed for children ages 0 through 18 to begin their financial journey while supporting the LCMS. It's an accessible method for teaching investing and financial responsibility to members of the next generation as their savings grow.

Additionally, children in this program can earn extra credit dollars in their Young Investors StewardAccount for good grades and community service when they are ages 7-18. High school seniors with a Young Investors StewardAccount are eligible to apply for LCEF's Take Heart Scholarship, which opens in February and closes in May each year.
