

This lively bunch of Ohio District DCEs, DFLMs and others in youth and family ministries in their District congregations met for their annual Conference/Retreat.

This year the discussions were centered around thirteen things to think about and discern as they follow the path in which they've been called to serve. Intertwined was the study of the questions raised in Acts chapter 2 considering how those same questions or similar might be pondered today. The Conference was held October 20, 21 and 22. They met at the Fields of Home Lodge in Millersburg, Ohio where beside meeting, they prepared the meals, enjoyed time around a campfire and played games. On Tuesday evening, they set out to Mrs. Yoder's Kitchen for a good Amish-style buffet. Next year's Conference will be together with the workers from the Michigan District at Maumee Bay State Park.
