Texas District Disaster Relief page: https://txlcms.org/congregations/disaster-relief/

There is now a designated site where individuals can create an account and sign up to volunteer for flood relief efforts. You will be notified when it is time to deploy – please do not show up before you are contacted.

Visit: https://tcr.communityos.org/

Set up your volunteer profile and select Kerr County when prompted. Please share this with others who are willing and able to serve.

We pray God's peace and healing upon the victims of the disastrous flooding that occurred over the 4th of July weekend. Here is how you or your congregation can support Texas District flood relief efforts:

Track ongoing updates. Follow the Texas District Facebook page for the most timely updates.

Donate online to relief efforts. The Texas District is not taking material donations or organizing volunteer teams, so monetary donations are the most effective way to help. 100% of designated donations go to relief efforts. You may also donate by check, made out to "Texas District LCMS" with "Disaster Relief" in the memo line and mailed to 1221 Satellite View, Round Rock, TX 78665.

Donated funds are directed in two main ways:

Assistance for Texas District Church Workers. We provide direct support to church workers (pastors, teachers, staff) who the floods have personally impacted. This assistance helps with essential needs, including temporary housing, basic living expenses, and home repairs.

Support for Texas District Congregations. Funds help our congregations that have suffered damage to their facilities or equipment. This may include covering costs for cleanup, repairs, or replacement of essential items to ensure the church can remain open and continue its ministry.

Thank you for your support!
