O Lord,

Bless my **pastor's ministry**, that Your Word would resonate powerfully in the hearts of my church family. May the Holy Spirit empower him to preach Your Word with authority and conviction. May his ministry bring glory to Your name.

Encourage my pastor's heart and give him confidence in You, that he may be bold to share Jesus' message and stand firm against adversity. As he cares for the people in our church, may he be confident of Your presence and peace, knowing You are with him always and in all ways.

Give him **Your strength and ability** to trust in Your provision. Keep him **humble and dependent on You** all the days of his ministry, knowing that You supply all of his financial, emotional and practical needs.

Give my pastor **clarity and wisdom in the decisions he needs to make**. Keep him focused on Your will and plan for his ministry. Help my pastor to make wise decisions that line up with Jesus' life and example. Keep his heart focused on serving You, Lord Jesus, and help him to **prioritize time with You**.

For my **pastor's spiritual growth and maturity**, that the Holy Spirit will lead him and help him desire a deeper relationship with You. Help him to teach Jesus' way and conform to His image.

For my **pastor's marriage**, asking for Your blessing and grace in this important relationship. Give him wisdom and the ability to support his spouse. Keep them safe from the enemy and bless them richly. May their marriage be a beautiful picture of Your deep love displayed in their home.

For my **pastor's family and friends**, who are part of his support system. Protect his family, keep them in good health, and grant them peace in their home. May his friendships be a source of strength and encouragement, and a reflection of Your love and goodness.

For my **pastor and his relationships**. Give him wisdom in building strong and healthy connections with others. Give him discernment to know whom to trust and when to be cautious in difficult situations. May his time with You fuel his every decision and action.

Protect my pastor from spiritual attack and harm. Keep him safe from physical danger and shield him from attacks by the evil one. Equip him with the full armor of God.

Give my pastor **rest and relaxation**. May he find **refreshment and restoration in You**. Help my pastor take time to intentionally slow down and help him prioritize his own care so he might minister with a healthy heart and soul. Bless him with good health and wellness.

Thank you for my pastor! Bless him with **joy and peace** as he serves You and Your kingdom!
