RESERVE TERMS & RESTRICTIONS

1. Heroes Aren't Hard To Find will hold reserve books for thirty days after they arrive in our store. Items left after this time will be returned to stock, and the customer's subscription will be cancelled. We are in no way obligated to notify the customer, and we reserve the right to cancel a customer's bag at any time, at our discretion.
2. Your reserve bag is only for books on your reserve list. We will not allow customers to hold trade paperbacks, back issues, toys, unsubscribed magazines, or any other merchandise in their bags.
3. Customers who reserve ten or more regular monthly comics (mini-series and one-shots do not apply) will receive a discount of 10% on all new comics, and 25% off non-premium back issues. These discounts apply only if your reserve bag is empty!
4. If you find that we've missed a book from your reserve, and you cannot find it on the rack, please notify an employee as soon as possible, so that we can do our best to correct the mistake.
5. Books are ordered 2-4 months in advance, and we cannot always guarantee availability on all items. Customers who'd like to reserve certain small press or independent titles we don't generally stock are encouraged to buy Previews each month; we generally need any Previews orders turned in by around the 20th of each month. We may ask for a deposit on certain items, depending on their value and our mood. And of course we reserve the right to refuse to any items, at our discretion. If you have questions, please ask.
6. When brand new titles debut, we pull them at our discretion for customers who already have similar titles on their list. For instance, when Mighty Avengers debuted, we pulled the first two issues for that list, as well as for customers with "New Avengers" on their lists. We expect customers to add titles they'd like to keep receiving after these first two issues, as we will revert to the regular list at that time.
